Inclement Weather

The Department for Children, Schools and Families – DCSF – has issued the following statement “essential travel includes pupils going to school to keep learning, and school staff going to work” this is once safety and adequate supervision is deemed to be acceptable and is at the discretion of the Head teacher. In light of this the nursery will endeavour to be open during inclement weather. However, we will post a note on our website, as required, with updates and keep your Parent Association representatives informed.

REMINDER

Please name any items the children bring into nursery especially WELLINGTON BOOTS, coats and cardigans/jumpers. The younger children occasionally pull items from the boxes out of curiosity and although we do our best, unnamed items have gone astray in the past. Thank you.

Parents' Association News

A coffee morning will be held on Monday 25th January 2009 at Anna Karlson's home (Christopher's mum) after drop off at Nursery – all welcome, reminders will be posted in the entrance hall nearer the date.

SELF-REGISTRATION

For the benefit of new children we would remind parents that in order to encourage name and letter recognition amongst the children (using the self-registration system) to encourage your child please to find his/her name on the table by the piano and take it to the pocket wall hanging and place the name card in the pocket with the letter that begins his/her name. This is in addition to the register taken in the vestibule.

Climbing Frame

For the safety of the children our rules are: no more than three children on the climbing frame at one time and, closed footwear must be worn. (Sorry, no open toed sandals, these catch on the rungs).

Informal chats... if you would like to have a quick chat to any of us at the beginning or the end of a session, please do not hesitate to approach one of us. We are always available. If you would like a longer consultation please do speak to Jane or Denise. We will be happy to arrange a date.
