### Extra Sessions

If you wish your child to take up further sessions do talk to us. There are some spaces available if required. At the moment we are completely full on Tuesday and Thursday am.

Sun hats, Coats and boxes/bags  
Please do ensure all the above items are named. It is very helpful to us as it avoids confusion and saves time when they are needed.

### Sun Cream

On potential sunny days please ensure you apply sun cream to your child before you leave your child at the nursery for the morning. If your child needs to be frequently protected by cream please make sure the container is clearly marked with their name. We do not have a supply of sun creams at the nursery.

## ***Nut Allergy***

We have a child at nursery that has an allergy to nuts. Please be vigilant that your child does not bring any nuts to the nursery. If your child has consumed nuts before coming to nursery please ensure they have washed their hands and face before entering the premises.

---

## ***SELF REGISTRATION***

For the benefit of new children we would remind parents that in order to encourage name and letter recognition amongst the children; using the self registration system; to please encourage your child to find his/her name on the table by the piano and take it to the pocket wall hanging and place the name card in the pocket with the letter that begins his/her name. This is in addition to the register taken in the vestibule.

---

## ***PE***

If your child attends our Wednesday pm and/or Thursday pm sessions they will be participating in PE. Please do remember they will need a T-shirt and shorts. They do not need plimsoles.

Do think about what they are wearing on these days. Please make their attire easy to get off and put on as it is them who will be changing (with help if needed).

---

## ***Transition Event***

An event has been organized to support parents and carers as their child makes the transition to school. There will be information, stalls and stand, short activities and a free gift for the children and representatives from schools and other agencies.

The pre-school to primary event is at 3.30 – 5 pm with the primary to secondary event following at 6pm at the Camden Centre, Tunbridge Wells.

## **VOLUNTEERS**

We have created areas for the children to grow flowers and vegetables. During the holidays when Denise and Jane are not around could a rota be set up by parents to help with the watering? Thank you.
